“Do you want more information and ideas for feeding growing, active kids?”

Then come along to a nutrition information evening for up-to-date advice from Accredited Practising Dietitians (APDs) from Latrobe Community Health Service (LCHS).

The presentation will cover:

- How to understand food labels and what to look for in packaged foods
- Nourishing growing bodies
- Fuelling active kids - what to eat before, during and after sport
- Putting it all together - healthy meal ideas
