

Our Vision

To offer an exemplary Anglican education through which students are inspired to develop a lifelong passion for learning and to contribute positively to the global community.

Our Mission

As a school which values learning in all its forms, we are committed to providing opportunities for each student to achieve their personal best. In partnership with families, we will create a supportive, caring and collaborative environment where young people are challenged to think critically, strive for excellence and contribute constructively to the world around them.

Our Values

- Wisdom
- Integrity
- Compassion
- Respect

This Vision, Mission and Values statement has been prepared by the Board and Executive of St Paul's in consultation with staff.
