GENERAL CONDITIONS

Scholarships will be awarded on the basis of an interview, sporting achievements, academic diligence and a letter of support from the student's coach.

The level of sporting achievement of the applicant will be assessed on a measure appropriate to the individual sport. While the School acknowledges that a national level in all sports is not available, applicants should be performing at an equivalent level prior to making an application. Consideration is given to the coach's recommendation and the applicant's commitment to the sport, their character, sportsmanship, self-discipline and ability to cooperate with others. Applicants should generally demonstrate above average levels of achievement in their academic studies and should, most importantly, be recognised for their academic diligence.

Successful Secondary School candidates may be invited to join the St Paul's Elite Sports Performers Program. They are expected to participate in the SEISA (interschool) sports program/s.

Scholarships are held whilst the student is actively involved in the named sport, and as such will be reviewed annually.

Sports Scholarships are open to new students to St Paul's entering Year 7 to Year 11, 2022 and current students entering Years 7 or 10 in 2022.

Shortlist/Notification: Candidates will be shortlisted for Sports Scholarship based on the application. Shortlisted candidates will be required to attend an interview with the Scholarship panel, after which offers may be made. Candidates who are not shortlisted for an interview will be notified by email.

Application Summary: Applications OPEN 14 December 2020
Applications CLOSE 12 March 2021
Interviews conducted week commencing 22 March 2021 (*These dates may change*)
