I acknowledge and agree to follow these rules. I understand that my access to the Internet and mobile technology at school will be renegotiated if I do not act responsibly.

I acknowledge that the laptop is to be replaced by a School provided laptop when the device requires replacement through hardware failure or upgrade.

I acknowledge that the laptop will be required to be configured by St Paul's ICT Services for network and printer access. This will involve configuring the device for appropriate software installation and system requirements.

I acknowledge that there will be a \$199 charge for this, and an ongoing annual interim ICT Resource Levy of \$99.

I understand that any outstanding charges will automatically be included on my school account.

This agreement must be signed and a copy submitted to IT Services.

I have read the Notebook User Agreement carefully and understand the significance of the conditions and agree to abide by these conditions. I understand that any breach of these conditions will result in computer and Internet access privileges being suspended or revoked.
